

Regnum Animalia

23 : 03

I felt eyes on me, and sometimes saw them.

17 : 49

I saw a bird's nest, and birds who I don't think nested there.

14 : 12

I saw two cats and two missing cat flyers (for the same cat).

I heard cries of warning, and the pitter-patter of
curiosity.

I saw a squirrel crossing the boulevard, crawling in the shadow of a lamppost as if it were a bridge.
