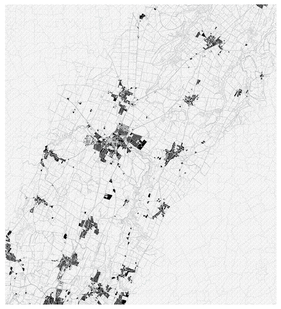
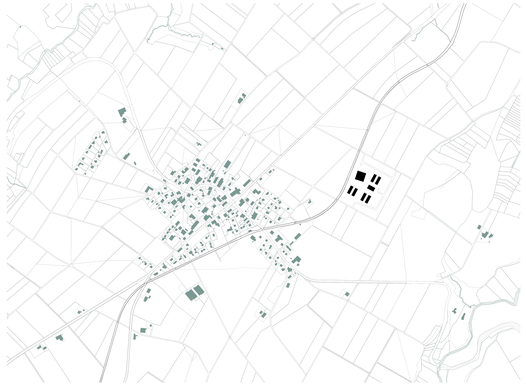
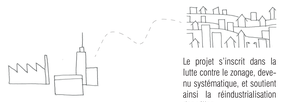
UNE USINE DANS LE JARDIN

Fabrique de jouets et logements coopératifs à Fey, Vaud
Mégane Anouchka Hänni





Fey 1:5000



Familistère de Guise
Jean-Baptiste André Godin
Guise, France, 1884

Le projet s'inscrit dans la lutte contre le zonage, devenu systématique, et soutient ainsi la réindustrialisation des villes.

A l'image du Familistère, le quartier devient une petite communauté dans laquelle le partage des infrastructures contribuent aux interactions sociales.
