

## L'Eloge de l'eau. La symbolique de l'eau en architecture

# Annexe

A long wooden table in a workshop or studio is covered with architectural drawings. Several large sheets of paper are laid out, showing various stages of a design process. One sheet features a detailed cross-section of a building with multiple levels and rooms. Another sheet shows a floor plan with various rooms and corridors. There are also smaller sketches and drawings scattered across the table. On the left side of the table, a blue metal stool is visible. The background shows a wooden floor and some other items in the room.
