

Énoncé théorique de master 2024
Dorian Fabbro

HITAM

Photograph taken for
the *Gazetta del Popolo* newspaper,
showing a producer at her stall
in the MOI market,
putting aside tangerines.
1930 circa.

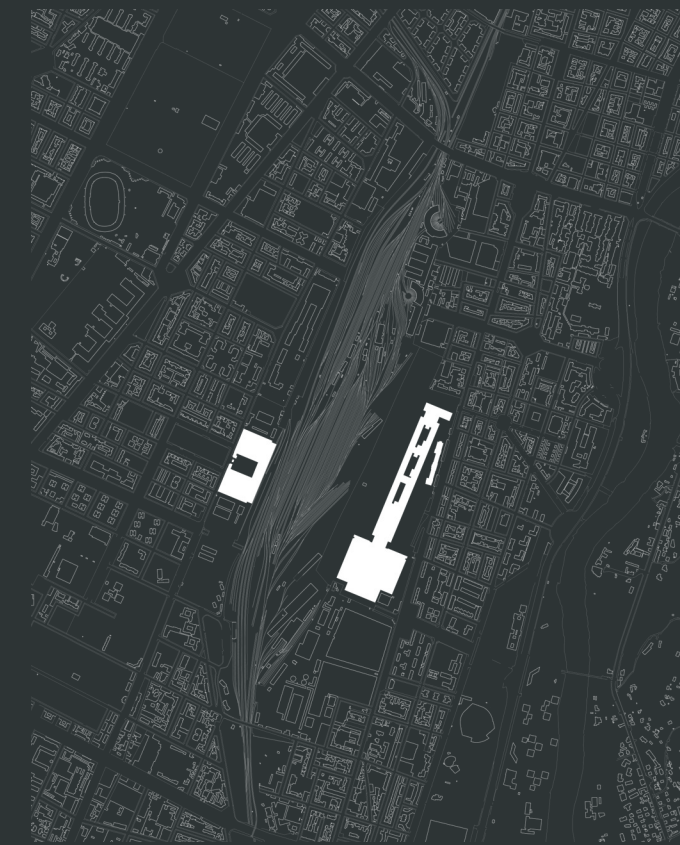

ARCHITECTONIC diptychs

Architecture, Spatial Logistics & Production.

The F.I.A.T. Lingotto & MOI Market
as exemplary case studies
for early logistics issues
in the 20th century
industri-food city.

Photograph of a worker in Lingotto's
workshop n. 17 making the steel
bodywork for the Balilla.
The workshop was equipped with
modern electric welding equipment.
1930 circa.

The two rail-side buildings: the FIAT
Lingotto to the east and the MOI
wholesale market to the west.
